To be completed after reading Act III using any material from Acts I-III.

1. On Wednesday, you started a Venn diagram with your group looking at the two film versions of the Petruchio character. Using Shakespeare's version of the text, list at least five passages (remember to cite each passage!) that validate those directors' choices and explain *how* and *why* those passages support the directors' choices.

2. Did Katherine want to get married? Did Katherine have a choice? Did Petruchio want to marry her for legitimate reasons? State your opinion about their marriage, support it with textual evidence (remember to cite each passage!) and explain *how* and *why* that evidence supports your opinion.

3. What does Katherine mean about the relationship between a man and his wife when she says, “I see a woman may be made a fool if she had not a spirit to resist” (III, ii). Support your statements with textual evidence (remember to cite each passage!) and explain *how* and *why* that evidence supports your statements.

4. How does Hortensio come to suspect Bianca’s intentions to select a suitor? Support your statements with textual evidence (remember to cite each passage!) and explain *how* and *why* that evidence supports your statements.

5. The relationship between Katherine and Petruchio is set up to contrast the relationship between Bianca and Lucentio. Which of these is the more honest relationship? Support your statements with textual evidence (remember to cite each passage!) and explain *how* and *why* that evidence supports your statements.
