Webhunt

Please read the information in order to find the answers, don't use the "find" tool. I'll keep the questions to a minimum if you will make sure and read the information. Immerse yourself in the site, it is important that you understand the stories.

1. What are the 9 sub-headings that you have to choose from when looking at the site?
2. Under Prologue, what was the reason President Wilson gave to join the "Great War"?
3. Diagram and label below what a trench system looked like.
4. When was poison gas the most effective to be dispersed?
5. Who was Kaiser Wilhelm II? List some interesting facts about him.

6. What did Gail Braybon say in relationship to women's feelings toward the war?

7. What 2 unlikely groups fought in the Battle of Gallipoli?

8. Give me some information from C.I. Stockwell about the "Christmas Truce".

9. How many miles of trenches were dug during the war?

10. What does Jay Winter, the historian, say in about shell-shocked soldiers?

11. Who led the Battalion of Death? How did she die?

12. How many British soldiers participated in the 1st day of the Battle of the Somme? Of those, how many were killed or wounded on that 1st day?

13. In the Shaping the 21st Century page, what did we learn from WWI?
